Sounds good - I will ask Kell to make flight arrangements. It will be just Kell and I attending. As we discussed, I am assuming that you and Chuck would be attending for IDNR and for the city, the city administrator and the city council member. Thank you.

That will probably work. I would hope we can be back to Wallace by 3:00-3:30. That would give us an hour or more for discussion before Kell would have to leave for the airport. Who all do you plan to have from EPA?

Bill - do you think 4 pm would work? I will need to get Kell to the airport for a 650 pm flight.

Ed,
There is a luncheon for the award winners following the presentation and that is the likely place you may have to opportunity to offer some comments. By the time we get through that and meet with a few folks, we will not be able to get off the fairgrounds and back to Wallace before 3.

Bill - if we could meet slightly earlier on Wednesday afternoon, say between noon and 3, I may be able to have Kell fly in to join us. I think you met Kell - he is the Senior Advisor to the Administrator on Superfund issues.

Bill,

Tuesday afternoon may be difficult – it looks like I won't be arriving in Des Moines until after 5:30 pm from my tribal visit. Any chance we can meet on Wednesday? I can be available any time except during the award ceremony at the state fair. I can stay until late afternoon Wednesday before heading back to Kansas. (I can also stay for an early Thursday morning meeting if Wednesday is not good for you.)

Ed,

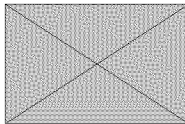

Chuck visited with DSM city council member, Christine Hensley

this morning and they determined that Tuesday late afternoon in Chuck's office would work the best. She will get the mayor and/or city manager to attend with her.

Will this work for you?

Bill
